### **EAT PANCAKES, GET A NEW RECYCLING BIN AND ENJOY RADIO DISNEY**

Good reasons to go to the Schuetze Recreation Center this Saturday morning

Waukesha, (Wis) – In addition to great pancakes, you can pick up a free recycling bin at the annual Janboree Pancake Breakfast. The City Engineering Department and the Waukesha County Recycling & Solid Waste Office will have a limited number of bins available during the Pancake Breakfast and the Radio Disney program at the Schuetze Recreation Center on Saturday, January 21 from 8:30 a.m. – Noon. As part of a Bin Replacement Program initiated by Waukesha County last year, this will be on a first come, first served basis since space is a consideration. City residents will be asked to complete a brief form telling why they need a new bin.

Most municipal offices have bins available for residents whose bin has disappeared, or is broken. For information on recycling guidelines and where to get a bin, visit [www.waukeshacounty.gov/recycling](http://www.waukeshacounty.gov/recycling) and click on the name of your community or call 896-8300.

The Schuetze Recreation Center is located at 1120 Baxter Street in Waukesha. Advance tickets for the Pancake Breakfast are available at Waukesha City Hall and the Waukesha Parks, Recreation & Forestry Department.
